O R D E R

On December 18, 1992, AT&T Communications of the South Central States, Inc. ("AT&T") made a tariff filing to adjust rates and charges for its 800 Plan P service option. The tariff filing results in a net revenue reduction.

No person has objected to the tariff filing and, upon preliminary examination, it appears to be in the public interest. However, additional time is necessary to verify price-out documentation. Therefore, the Commission will allow the tariff filing to become effective as scheduled on January 18, 1993, subject to further Orders of the Commission.

IT IS THEREFORE ORDERED that AT&T's tariff filing to reduce rates for its 800 Plan P service option be and it hereby is approved effective January 18, 1993, subject to further Orders of the Commission.

Done at Frankfort, Kentucky, this 15th day of January, 1993.
